To Whom it May Concern:

I am writing this letter as a representative of the Appraisal Institute; both on a National level and a State level. We are familiar with SB 1575 and have been following it through the general assembly. We are in support of this bill as it is good for the citizens of the Commonwealth of Virginia. It will offer more transparency to the appraisal fee process. I regret that we cannot have a representative present today due to other obligations. Thank you for addressing this issue and feel free to contact me at any time.

Sincerely,

Alex Uminski, SRA, AI-RRS

2017-2018 Region V Chapter Services Chairman
